

SOUL INCEST

I come from your struggle

Oh my darling

I come from what you want

wholeheartedly

I spring from your eyes

I spring from your freedom

I'm from your love

I'm from your love

I come from your silence

Oh my darling

I come from what you never leave behind

I come from your strenght

I come from your magic

I'm from your love

I'm from your love

CHORUS

SECOND MOTHER

YOU'RE MY SECOND MOTHER

MAKING LOVE WITH YOU

IT'S SOUL INCEST

Smile after smile
you make me real
You knew I needed your blessing
I come from your madness
I'm from your love
Straight from your love

CHORUS

Day after day
Gratuitously
You make me feel
I'm a man
You help me see
You give me voice
The wonders your work
Just...being

CHORUS
